BLS, ACLS & PALS: Integrated Resuscitation Mastery

The "Integrated Resuscitation Mastery" workshop offers the students with a comprehensive understanding of Basic Life Support (BLS), Advanced Cardiovascular Life Support (ACLS), and Pediatric Advanced Life Support (PALS) techniques. In this workshop advanced simulation technology, and a team-based approach will be demonstrated, participants will leave the workshop as confident and proficient resuscitation experts, well-prepared to save lives and make a significant impact on patient outcomes.

Objectives:

1. To start the workshop with a thorough lecture cum demonstration of BLS, ACLS, and PALS guidelines, including the latest updates in resuscitation protocols.
2. To practice Hands-on Training with High-fidelity Simulations, critical decision-making and effective team communication in a safe environment.
3. To learn ECG interpretation, atrial and ventricular activities during cardiac emergencies so to bridge the gap between theory and practical applications.
4. To provide students scenario-based learning
5. To offer students Personalized Feedback and Assessment

Details of the Program

Vidhyadeep Institute of Nursing, Vidhyadeep University, Anita, Kim organized an exhilarating BLS, ACLS, and PALS workshop on 31-07-2023 (Monday) in University seminar hall with an astounding 196 registrations.

Over 3 days, our AHA certified expert instructors transformed 65 students' daily, conducting re-demonstrations and administering pre and post-tests to every student.

The session started at 9:00 AM and concluded at 4:00 PM, spanning a duration of 7 hours. Active participation was observed in all the participants.

The aim of the above workshop is to equip healthcare professionals with essential life-saving techniques and procedures through BLS, ACLS, and PALS training to enhance their ability to handle critical medical situations with efficiency and effectiveness.

The workshop was inaugurated by the chief guest, guest of honors, and the principal of VION, followed by speeches from the Principal, Provost, and Course instructor, Mr. Swapnil Rahane.

The course instructors, Mr. Swapnil Rahane and Mr. Balram Kathaliya, were given the stage to officially commence the workshop session. The instructors, provided students with a comprehensive information booklet, setting the stage for an engaging and informative session. Throughout the workshop, students were captivated by the invaluable knowledge imparted, and the instructors' expertise garnered high appreciation from all attendees. The event culminated on 2nd August 2023, leaving both students and instructors enriched by the positive and rewarding experience
